Charter for the Protection of Children and Young People

Our Lady of Loreto and Our Lady of Mt. Carmel—St. Ann Parishes, in conjunction with the Office of Healing and Prevention of the Diocese of Worcester, is in full compliance with the Charter for the Protection of Children and Young People. Loreto’s Safe Environment Coordinator is Virginia Lelakis and Mt. Carmel’s is Gloria Caprioli. The purpose of this program is to keep our children and young people safe. The Charter requires, among other things, that all parish volunteers (including youth 14 years old or older) attend a brief Safe Environment workshop and submit to a C.O.R.I. review. This can be arranged on short notice by calling Ginny at (508)792-2750 or Gloria at 508-797*4546. If you know of any victims of child abuse or if you have any questions about the Charter, contact Ginny, Gloria, Msgr. Pedone, or Deacon Paul. You may also directly contact Mrs. Frances Nugent, Director of the Office for Healing and Prevention at (508)929-4361.

NOVEMBERFEST NEWS:

It's September, so it's time to get organized for our annual Novemberfest Bazaar. Would you be willing to help us out? Call Julie in the office (508-753-5001) so that a Committee can be formed.

Pope Francis says...

More from *Laudato Si'*:

"Climate change is a global problem with grave implications: environmental, social, economic, political, and for the distribution of goods...Its worst impact will probably be felt by developing countries in coming decades. Many of the poor live in areas particularly affected by phenomena related to warming, and their means of subsistence are largely dependent on natural reserves and ecosystemic services such as agriculture, fishing, and forestry. They have no other financial activities or resources which can enable them to adapt to climate change or to face natural disasters, and their access to social services and protection is very limited. For example, changes to climate, to which animals and plants cannot adapt, lead them to migrate; this in turn affects the livelihood of the poor, who are then forced to leave their homes, with great uncertainty for their future and that of their children. There has been a tragic rise in the number of migrants seeking to flee from the growing poverty caused by environmental degradation. They are not recognized by international conventions as refugees...without enjoying any legal protection whatsoever. Sadly, there is a widespread indifference to such suffering."

WOMEN’S GUILD

For years we had a Women’s Guild here at Our Lady of Mt. Carmel. It was extremely active. But, like so many other groups, their members, grew older and eventually it slowly ended. I spoke with Msgr. Pedone and he has given his ok to start the Guild up again in the fall. The Women’s Guild with faith, prayer, knowledge and concern, helps build community through friendship, spiritual reflection, mutual support and support to those in need. Let us step up to the plate and make this happen once again as our grandmothers and mothers have done in the past. **Our first meeting will be held on Tuesday, September 29 at 7:00 p.m.**

BIBLE STUDY

Our Bible study will begin on **September 30 at 1:00 p.m.** . . . and before we begin the prophet Isaiah, we shall read the work of a modern prophet, Pope Francis' Encyclical Letter, *Laudato Si' - On Care for Our Common Home*.

In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him! Pope Francis, *Laudato Si* In his second encyclical, **Laudato Si : On Care of Our Common Home**, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for the ethical and spiritual itinerary that follows. **Laudato Si** outlines:

- The current state of our common home
- The Gospel message as seen through creation
- The human causes of the ecological crisis
- Ecology and the common good

Pope Francis' call to action for each of us
